REBEL FORCES WIN VICTORY

Villa Captures Zacatecas With Heavy Loss.--Failure to Resist Rebels at This Point is Considered Bad for Federal Cause

El Paso, June 24.—Zacatecas, an important city of Central Mexico, fell into the hands of the Constitutionalists at sundown yesterday, according to announcement tonight by General Villa's officials here. Two of Villa's generals were wounded.

The Constitutionalists' losses were heavy, according to an official dispatch. No mention was made of the Federals killed, but it was said many prisoners were captured with a large quantity of ammunition.

Washington, June 24.—Despite many conflicting reports concerning the mission to Washington of representatives of the Mexican Constitutionalists en route here, it was asserted tonight in official quarters that there is every expectation that agents of General Carranza will accept the invitation of the American commissioners at the Niagara Falls mediation conference to participate in informal negotiations.

In the light of the announcement made in New Orleans yesterday by Alfredo Braceda, one of the three Car-

WILL ASK FOR LOWEST PRICE

Another meeting of the commissioners of York and Rockingham counties was held in this city today to further discuss the proposition of taking over the Portsmouth and Kittery toll bridge from the Boston and Maine railroad. The price recently submitted by Boston and Maine officials for the bridge the commissioners consider unreasonable and it was voted to ask the directors of the road for their lowest price. It is understood that the commissioners of the two counties are practically agreed upon the sum they can pay to take over the bridge property, but do not care to divulge the amount. As soon as a reply is received from the railroad directors another meeting of the commissioners will be held.

YOUNG LAD CLINGS TO HORSE

Prevents Serious Runaway When Horse Becomes Frightened on Vaughan Street.

A horse attached to a light express wagon driven by a son of Mr. Charles A. Badger took flight on Vaughan street shortly after 8 o'clock this Thursday morning and for a time made things decidedly lively. During the excitement the animal got one hind leg over the shaft and indulged in a kicking bee. One of the young lads jumped from the team but the older, pluckily tugged away at the reins. When the animal reached the corner of Vaughan and Hill streets he took to the sidewalk and went down. As he was getting up Ellis G. Walden and Charles R. Parks seized him by the head and brought him to a standstill. One hind leg was badly scraped and a shaft of the wagon broken. Those who witnessed the runaway glared at the young boy showed good pluck in clinging to the reins and preventing a more serious mishap.

P. A. C. AGAIN MAKE A GARRISON FINISH

The Up Game With Morley Button Team After Trailing Until Last Inning--A Pitchers Battle.

With a garrison finish the P. A. C. saved themselves a defeat from the Morley Button Company on Wednesday evening after indifferent base ball at the first of the game in fact, in all of the innings, for although Leary was only hit for two hits, the Morleys were able to score four runs. Bill Brackett had an off night and he contributed three errors, in addition to failing to tag second base for a force out on a double play in throwing to first being exceptionally off for him. He however covered lots of territory.

The P. A. C. did not seem to have any life in the first three innings and it was not until the fourth that Newick got them aroused and they at the same time got Driscoll who had been picking great ball very nervous and in the fifth with Trueman up he gave way to Able until Freeman had made a hit then he went back and hit Tredek and a fine catch and a great throw to the plate by Grant saved the game for the Morleys. It was a close decision at the plate, Tredek sliding under Pruett.

Young Driscoll pitched great ball until the fourth inning and he was given fine support. He struck out Bill and Ralph Brackett twice each, but Newick and Trueman hit the ball hard each time up. Grant, by laylay way out getting a long drive from Newick in the third.

George Tredek made the catch of the game from Ned Paul's drive over second, which he took on the dead run and off his shoes. Left in the regular double did not show up and Hunter singled alone from behind the pitcher. The game being a tie at the end of the fifth and it was fast getting dark it was called off and will be played over again possibly on Friday evening, although he would make these games this week for the P. A. C.

The Game in Detail FIRST INNING

The Morleys were up and Able led off with a two base hit to right center. McDonald walked, Pruett rolled one to Bill Brackett which he missed and Able scored McDonald going to third. Pruett attempted to steal second with a man on third, but he was thrown out by R. Brackett to W. Brackett. Hunteon drove a long fly to Tredek and McDonald beat out a good throw to the plate. Howard grounded to C. Brackett whose throw to first was directly in the sun and Newick had to jump to save himself. Paul was retired, W. Brackett to Newick. Two runs.

Bill Brackett was called out on strikes, Ralph struck out, Howard walked but was thrown out stealing second, Pruett to McDonald.

SECOND INNING

Moran reached first on W. Brackett's throw into the dirt. Grant walked, Driscoll fanned, Able was struck out and McDonald was thrown out by M. Howard. Leary pulling out of a bad place.

Newick singled to right, he stole second, Trueman hit to Hunteon. Tredek walked, Lynskey died to Able. C. Brackett rolled one to Able who forced Newick at third.

THIRD INNING

Pruett hit to C. Brackett who made a great stop but then threw low to first. Hunteon hit over second to W. Brackett who forced Pruett at second and doubled Hunteon at first. M.

Luke McLuke Looks Like New Three-Year Old Turf Sensation

LUKE MC LUKE WINNING

Luke McLuke, the great three-year-old and all other horses of his class. It is that has been making such a speed almost certain that the little splendid showing at the Belmont and Astor race meets, adds fair to estimate of his future. The picture shows the work of Backview, Laduree, Baskin, Charlestonian, Flying Dory after an early morning workout.

Howard hit to W. Brackett who made a low throw to first and he went to second, Paul hit over second and Tredek made a wonderful line catch on the dead run.

Bill Brackett singled to center, and it looked bright, but Ralph Brackett and M. Howard fanned, and Newick hit a long fly to center that Steve Grant had anticipated and was laying well out.

FOURTH INNING

There was something doing in this inning for both sides. Moran was hit, Grant hit to Leary who threw to W. Brackett to force Moran, but Bill fell down and failed to touch the base, but he retched the runner at first. It was a clean miss of a double play that would have saved a run. Driscoll sacrificed Moran to third, Leary to Newick and he scored on Able's single through short McDonald retiring the side, W. Brackett to Newick. One run.

Trueman tied to W. Howard and Tredek grounded to Paul. With two gone, Lynskey struck at a wild ball for a third strike that got past Pruett and he reached first. He went to third on C. Brackett's single to left, and scored when Bill Woods, batting for Leary grounded to Hunteon. Paul dropping the throw, Woods stole second, but with two men on, Driscoll struck out Bill Brackett. One run.

FIFTH INNING

Bill Brackett went in to pitch as Woods had batted for Leary, forcing him to the bench. Pruett hit to C. Brackett who threw low to first, Hunteon walked, W. Howard fouled to R. Brackett, Paul walked filling the bases. Moran struck out, but Bill passed Grant and it forced in Pruett. Driscoll retired the side, C. Brackett to Newick. One run.

R. Brackett opened by causing Able to fumble his drive to third, M. Howard walked, Newick singled to right and Ralph scored, Howard going to third. Newick stole second, while Driscoll stood in the box, Able took Driscoll's place in the box and Trueman drove one through Hunteon that scored, Howard and Newick, but Trueman was thrown out, Howard to Able. McDonald, Tredek was hit, he stole second and went to third when McDonald failed to stop Pruett's throw. Lynskey hit over second that Steve Grant came in after on the run making a great catch and by quick throw caught Tredek at the plate.

MINERS IN FIGHT DESTROY \$100,000 OF PROPERTY

Butte, Mont., June 24.—One man was shot and killed, another seriously hurt, and property valued at \$100,000 was destroyed by dynamite during the rioting last night at the Butte Miners' Union hall by the factions of the union.

Many shots were fired, and more than 20 blasts of dynamite were set off during the night.

The city early today was quiet, but Mayor Stewart at Helena was preparing to issue a call for state troops to prevent further disorders here between the warring miners.

Many armed deputies were at the hall last night to preserve order at a meeting called to discuss plans for bringing about a settlement of the differences between the factions in the union. A large number of the seceders from the Western Federation of Miners, who have planned to form a new union under the auspices of the Industrial Workers of the World, were near the hall.

The insurgents attacked two men and Sheriff Driscoll's deputies fired several shots into the air, but the shots had no effect.

The crowd pushed on and when the

deputies fired a volley to kill Ernest Noy, travelling inspector for the Montana Demurrage Bureau, left dead. Two others were wounded. The shooting caused the insurgents to retreat, but soon they returned with dynamite, which they exploded under the union hall.

Miners' Hall Demolished.
The front of practically every building in the block of which the Miners' Hall was the center was wrecked by the continued charges of explosives set off by the insurgent miners, hundreds of persons were struck by flying glass which rattled down upon the heads of people packed on the sidewalk every time a blast was set off.

Dynamiting did not cease until after midnight, after more than a score of blasts had been exploded and the Federation Hall practically demolished. The walls in front and back having been blown out, and the roof caved to the ground.

Leaders of the union, with their lieutenants, spent most of the night urging their men to retire to their homes.

The whereabouts of Charles H. May

er, president of the Western Federation of Miners, who fled the Miners' Hall when the firing began last night, is a matter of conjecture. He got into an automobile and was driven rapidly away.

There was a report that he has taken refuge in the County Jail, but Sheriff Driscoll denied this, offering to conduct a searching party through the prison.

The belief prevailed that Mayor and other federation officials have left town.

KNIGHTS ARRIVE HOME

The members of the DeWitt Clinton Knights Templar, returned at eleven o'clock on Wednesday night from their pilgrimage to Rome. They left Rome at 7 o'clock and it took four hours to get their special train across the state to this city. The Sir Knights reported a very pleasant time.

They marched from the depot to the asylum on Congress street, but did not enter owing to the damage by fire, and wore their uniforms home.

LADIES DAY AT COUNTRY CLUB

The first of the series of Ladies Days at the Country Club will be held this afternoon and evening at the club, with Mrs. M. S. Bauldell and Mrs. W. A. Bragdon as committee. Auction bridge will be played in the afternoon beginning at 2 P. M. and dancing will be enjoyed during the evening.

WILSON STILL OPTIMISTIC ABOUT MEXICAN TROUBLES

Washington, June 24.—Development of plans for a meeting of representatives of the fighting factions in Mexico, temporarily independent of mediation proceedings between the Huertista and American missions, was awaited today by President Wilson, and his cabinet officers. It was suggested that the next step in the programme for settling Mexico's troubles by diplomacy might not crystallize until the arrival in Washington of several Carranza agents now on their way from Saltillo. Expectations continued, however, that efforts of the Washington Administration to bring together delegates of the Federalists and Constitutionalists would succeed.

Reports from New Orleans that Carranza's aide-de-camp, Alfredo Breceda, had declared the Constitutionalists would not agree to a conference with the Huertista mission were met by the statement from Niagara Falls that an absolutely assurance had been received that the Constitutionalists would be represented there.

Hope was renewed that Villa would not loom as a stumbling block by reports that he had asserted he would stand by the results of the mediation, irrespective of Carranza's attitude.

An official statement from Carranza headquarters at Saltillo, that reports of "alarm and deep division" between the first chief and Villa were false was generally accepted as tending to verify assertions that the breach between the Constitutionalists and the Huertistas had been healed, temporarily at least.

ONE PEACE PLANK TODAY

Others May be Agreed Upon Before the End of the Week.

Niagara Falls, Ont., June 24.—Further discussion of these planks of the peace programme which relate to international differences between the United States and the Huertista Government went on today while waiting for a definite understanding of instructions issued to Constitutional agents who are expected to come here. It was said that at least one of the planks would be framed at a protocol today and that the others would be agreed upon by the end of the present week. If the purpose of the principals is fulfilled the international side of the controversy will be cleared up, leaving the question of selecting a provisional president and other internal problems to a conference of representatives of the Constitutionalists and the Huertista Government.

Notwithstanding reports from New Orleans quoting Carranza spokesmen as casting doubt on the probability of such a meeting confidence prevailed in American quarters that ultimately the two Mexican factions would be brought together. It was understood that the efforts of the Washington Government were bent in that direction, although it was admitted here that arrangements have not yet been perfected justifying a public announcement from the mediators.

TREAT ONLY ON BATTLEFIELD

Breceda Alleges That This is Carranza's Attitude Toward Huerta.

New Orleans, June 24.—Alfredo Breceda, private secretary to General Carranza, left here today for Washington. He said he had nothing to add to his statement of yesterday that Carranza never would agree to meet Huertista representatives in an attempt to select a provisional president of Mexico. Fernando Iglesias Calderon, who also is in New Orleans, said he probably would remain here a day or two. He said he intended to lay the case of the Liberal party in Mexico before Washington officials, but that he was not an accredited representative of Carranza on this trip. He did not say what he expected to impart to officials at Washington.

The mediation plan, that of having Huertista and Carranza delegates confer informally on a provisional president for Mexico, will come to naught if Breceda voices the sentiment of the Constitutionalists. Breceda declared that the Constitutionalists would not

confer with Huertista delegates formally or informally.

Although Iglesias Calderon comes a great deal from Carranza, and Breceda said they would work to the same ends in Washington, the former said he was going to Washington on his own initiative. He said he wished to emphasize that while he had recently been in conference with Carranza, he did not represent him on this trip and that he had no secret mission to Washington. "I merely want to acquaint Washington officials with facts concerning Mexico which I do not think United States officials know," he said. "I hope to see President Wilson and Secretary Bryan, but I have no assurance that I will."

"Carranza is firm in his attitude that he will not treat with Huertista except on the battlefield," Breceda told the Associated Press through an interpreter. "We are on a very important mission to Washington, of which we cannot talk but it is not to meet with representatives of Huertista formally or informally."

It was considered significant that Juan Ugualdi met the Mexicans here. Soon after his arrival from Washington he went into conference with Breceda and later talked with Iglesias Calderon. What information he gave them is not known. He said he came to New Orleans on a mission other than conferring with the Mexicans.

Iglesias Calderon was congratulated on the fact that he might be the man Carranza would select for provisional president if the Constitutionalists took such a step. He refused the congratulations, however, saying that was the last place in Mexico he wanted to fill now or at any date in the near future.

TO GIVE ORGAN RECITAL

Dr. Minor G. Baldwin to be Heard at St. John's Church

Music lovers are promised a treat on Friday evening, when Dr. Minor G. Baldwin of New York, one of the most noted organists of the country, will give a recital at St. John's church assisted by Miss Georgia Hill and the regular church quartette.

The recital is free and the public are cordially invited.

The Daily Enterprise, of Braintree, Mass., has the following to say about Dr. Baldwin's playing:

"It was a great success artistically and a good success otherwise, as a large crowd was in attendance in spite of the unpleasant weather. Musically, the recital was superb. Dr. Baldwin played upon the magnificent new organ with the hand of a master, until it burst forth almost as a sublime voice. Under his trained touch it ran the gamut of the human emotions, it told of the moods of nature from the moments of sweet and gentle repose to those when storm-tossed and thunder-rocked it shows a mighty wrath and compels an awed and fearful reverence. From soft reverie it ran to mighty chords, until the great rafters of the church reverberated and the place around was filled with a grand rolling, swelling tide of harmony. Each number you deservedly abundant applause. Three times he responded with encores."

Nothing Can Keep Fresh After It Is Cut Up

You can't expect the chopped-up tobacco that comes in packages to be fresh, because it has been chopped up too long a time. Most of the natural moisture and flavor escapes from the small particles of tobacco before they are put in the package. By the time you smoke them, they are so dry that they burn fast and bite your tongue.

All the flavor and fragrance of the tobacco is pressed into the Sickle Plug and held there by nature's own covering—the natural leaf wrapper. When you whittle a pipeful off the plug you get fresh tobacco—slow-burning, cool-smoking, rich and sweet.

You don't pay for a package—don't waste any tobacco—and get more tobacco for your money. Buy some Sickle at your dealer's today. You'll find the Sickle way is the only way to get a satisfying smoke.

Sir Knights of DeWitt Clinton Commandery Entertained at Keene

The members of DeWitt Clinton Commandery, Knights Templar of this city, were the guests on St. John's day of Hugh de Payens Commandery, Knights Templar of Keene. The visitors were entertained in the city up to noon when they enjoyed a pilgrimage to Spofford Lake, where dinner was served and various sports enjoyed. The visitors returned home on a special train about 6 o'clock.

The visiting six knights were delayed in their arrival in that city, it being about 11 o'clock when they arrived at the depot. They were given a hearty welcome by the local members, and 100 sir knights in full regalia escorted the Portsmouth knights as they left the train. The two commanderies formed a line of march, each headed by their band, and went to the hospital on Main street, and returned to the Central square. Here the visitors passed in review.

The members numbering about 230 went to the armory and laid aside their regalia and enjoyed a lunch before beginning their pilgrimage to Spofford Lake. The party was conveyed in about 65 automobiles, each decorated with flags bearing the inscription "In Hoc Signa Vinces" and the commandery cross. At Spofford, the members partook in various sports and a dinner was served at 2 o'clock. While in Spofford the six knights exchanged greetings with the sir knights from Greenfield, Mass., and Brattleboro, Vt., the latter order entertaining the Greenfield members.

The return trip to Keene began at 4 o'clock and the six knights went to the armory. The Hugh de Payens commandery escorted their visitors to the train which departed about 6 o'clock.

SOME FINE BERRIES

At this season of the year farmers from the surrounding country are bringing into the market strawberries in large quantities and of excellent size and flavor. Incidentally speaking of this variety of cultivated fruit, it can be said that the beds at the Sturges farm at Little Harbor are something for the eye of the agriculturist to gaze upon. Berries the size of a small egg are picked daily by Mr. Sturges, the man in charge of the farm who has reason to feel proud, not alone of his berry crop, but the general appearance of everything under his care at one of the most picturesque spots of New England.

Chester Hickford Curtis, a graduate of the Portsmouth high school and Dartmouth '09, at present principal of the Central high school, St. Louis, had the degree of Master of Arts conferred on him by Dartmouth college on Wednesday.

QUINCY MAN TAKES BRIDE

Miss Helen Carr Married to Louis M. Keene on Wednesday Evening.

At 7 o'clock Wednesday evening a pretty home wedding took place at the home of the bride's parents on Jones avenue, when Miss Helen Carr, daughter of Robert Carr, became the bride of Louis M. Keene, second son of Mr. and Mrs. Ira Keene of Kittery. The room in which the ceremony was performed was prettily decorated in green and white, ferns, daisies, pinks and crepe paper being used. The ceremony was performed by Rev. Percy Warren Caswell, pastor of the Court street Christian church, and was witnessed by the immediate relatives of the contracting parties.

The bride was attractively attired in blue messaline, trimmed with shadow lace, blue hat trimmed with ostrich plumes and carried a bouquet of bride's roses.

The bridesmaid was Miss Carrie Carr, sister of the bride, and the best man Hubert Dickford. After the ceremony a reception was held, after which Mr. and Mrs. Keene left on a bridal trip to Portland. On their return they will take up their residence in Quincy, Mass., where the groom is employed as an electrician at the Fore River ship works. They were the recipients of many handsome and valuable wedding presents. Among the gifts was an English wedding cake made by Mrs. George Sharman of West Moulton.

THE VITAL LINK IN THE CHAIN.

Many advertising campaigns have failed in adequate results because of lack of connection between the advertising and the distribution. The newspaper is the link that binds the manufacturer and the distributor together. The local dealer knows the newspaper as a definite force. He knows that advertising in newspapers brings results that he can see and feel. He cannot overlook what the manufacturer is doing to make a market at his doorstep. Manufacturers anxious to learn more of the co-operative way of pushing their products are invited to address the Bureau of Advertising, 804 World Building, New York.

"From the Planes," Thursday two-reel dramatic play containing intense and gripping scenes which follow each other rapidly and consistently. It tells how a dissolute son comes to grief through an attempt, with the aid of a dishonest clerk, to destroy his father's last will. There is a spectacular fire scene in the picture that is wonderful Thursday evening only, Seaside Temple.

There are at present thirteen prisoners confined in the Rockingham County Jail in this city.

MANY ATTEND ANNUAL PICNIC

First Methodist Sunday School
Holds Outing at Rand's
Grove.

The annual picnic of the First Methodist Sunday School, was held Wednesday at Rand's Grove, Jenness Beach, and was a most enjoyable occasion for all who attended. There was the largest attendance which this school has had at its picnics for many years, nearly all going and returning on the special cars, which left the city at 9 o'clock and arrived on the return trip at 5.

At the grove a program of sports was participated in with enthusiasm and witnessed with much interest by the spectators. The ball game between the Tikes and the Boy Children was well contested and resulted in a victory for the latter by the score of 6 to 3. The following were some of the events in the list of sports:

100-yr. dash for boys, won by Frank Marshall; second, George Smook.

50-yr. dash for girls, won by Mildred Adams.

50-yr. dash for boys, won by Clarence McAllister; second, George Briddle.

At the lunch hour the committee served fish chowder, coffee and ice cream, the latter being furnished free to all children of the school.

Following lunch nearly the entire gathering adjourned to the beach, where many enjoyed the bathing, and the shore line furnished a scene of much animation.

Further sports were run off at the beach, consisting of running races, throwing a baseball, several jumps and other events.

The superintendent of the Sunday School, Mr. Harry Hilton, and his various committees are deserving of much credit for the efficient manner in which all the arrangements for this picnic were handled.
